

Learning Trails on smartphones

Small and handy, user-friendly

Learning beyond the classroom

Building pupils' character, confidence and curiosity

Discovery and experiential learning

Encourage collaboration and teamwork

The ultimate
mobile
learning experience!

New locations:

Sungei Buloh,
City Square Mall,
Hort Park, Chinatown,
Marina Barrage **and MORE!**
(20+ sites)

1: Select Trail

Choose between pre-designed learning trails or collaborate with us and design your very own learning trails!

2: Complete Trail

Students are assigned smartphones and complete all activities and tasks with the smartphones.

3: Post Trail

Activities can be auto-marked or uploaded to individual students' blogs for further collaborative projects.
